DOLLARS DOUBLED

BY USE OF
"Blakeslee" Gasoline Pumping and
Irrigation Outfits

The practical service these out-
fits have given in the hands of
fruit and truck growers is proven
by the fact that our customers
made large profits this season,
while their neighbors, who
did not irrigate, were not able
to mature their crops, and lost
money. It will pay you to in-
vestigate this, and write us for
catalog "G" telling you how
it is done.
